REPORT

Name of department:- NSS (girls unit) / Economics society / Commerce society

Date: - 01-10-2019

No. of participants: - 50 plus students and teachers .

Objective of the event: The objective of tree plantation is to know the value of environment, benefits of tree, beautification in and around.

Description of the event. :- The tree plantation was done way enthusiastically. Teachers and students did the plantation in the college campus and around the roads outside the collage to mark Gandhi Jayanti 2019

Outcome of the event: - Tree plantation is a great way to increase student's interest in their local environment and achieve academic goals. It will promote the continues planting of trees and will help to tackle the adverse effect of climate change as a result of continues indiscriminate deforestation.
