On
Environment And Energy usage**

The environment and energy usage Policy of Government Ripudaman College Nabha is to invest in sustainable growth through clean energy as it is the only dependable option to sustain life in future. The policy intends to find ways to switch to sources that are energy efficient and renewable. This transition to renewable energy and to inexhaustible sources of energy will safeguard the interests of the planet earth and its inhabitants. This policy will make us serious about reducing air and water pollution and greenhouse gas emissions. Solid waste management committee, e-waste management committee, environment monitoring and green audit committee are devoted to the cause of environmental awareness, to undertake green initiatives and to conduct green literacy programs to save energy and protect the environment.

Policies :-

1. To gauge our energy usage and measure its impact on the environment.
2. To switch to solar energy to the maximum possible extent.
3. To install LED and Solar lights in the campus.
4. To get green audit, environmental audit and energy audit done.
5. To organise tree plantation drives.
6. To develop system for rain water harvesting and underground water management.
7. To develop a no plastic zone in the institution.
8. To encourage faculty and students to switch off Lights, fans, air conditioner and electrical appliances in labs and classrooms when not in use.
9. To use sprinklers to water the lawns and playgrounds to meet emission reduction target
10. To engage in dialogue with the government agencies, municipal corporation and the local Institutions to collaboratively work for the promotion of sustainable environment.

The policy will be communicated to the students and employees through internal communication channels and will be uploaded on the website of the college for all the stakeholders. The environment and energy usage policy will be monitored periodically by the conveners of solid waste management committee, green audit committee and their members under the guidance of the principal.
